

Android Tip Sheet

 **App Updates:** Depending on the level of Internet connection and how many updates your app is receiving it may take a few seconds to open. The more frequently you refresh your app, the less time it will take to update. The app is native, so if you do experience low connectivity, cancel the updates for later on when it is stronger. When there is new information available, a red bar will appear at the top of the dashboard to encourage a refresh. If your updates run too long while connected to WiFi, cancel and connect through your devices 3G or 4G network.

 **Profile:** In order to create a personal schedule, bookmark exhibitors, invite friends to download the app, and take notes, an account must be created. Tap the gear and choose "Create New Account," fill in the provided fields and login.

 **Search the app** using keywords for speakers, sessions, and exhibitors.

 **Alerts:** Important changes and notices will appear here. The most recent three alerts will sit at the top of the app dashboard under "Recent Activity". All alerts will automatically be stored in the Alerts icon on the dashboard. A red bubble with a number in it on the Alerts icon indicates the number of new alerts.

 **Speakers:** Listing of speakers, their bios and the sessions where they speak. Search by tapping your device's search button and typing in their name. You can see an alphabetized list by tapping the Speakers icon. Speaker listings indicate sessions the speaker is speaking at, including their roles at each session. Tap the session to link directly there.

 **Attention Tweepers!** View and follow the conversations about your event. With an established Twitter account you can join in by posting a Tweet!

 **My Schedule:** Tap the plus sign within the My Schedule icon at the top right to manually create a schedule entry. Alternatively, events and sessions can be added with one touch by tapping the star in the upper right-hand corner of the desired session page.

 **Show Documents:** Read, download, and email pdf show documents.

  **Facebook & LinkedIn:** Stay in the know by viewing trending topics on the Facebook page or LinkedIn group.

 **Exhibitors:** Find exhibitors listed alphabetically and by category, or search using the magnifying glass on the dashboard. Bookmark an exhibitor by tapping the star on the upper right-hand corner of a listing. Review your list of bookmarked exhibitors by tapping the star in the list of *all* exhibitors on the title bar.

 **Downloads:** Once you've downloaded documents or exhibitor handouts, they appear here. To delete a document from the downloads list, tap and hold for a prompt to delete.

 **Events:** Browse by track or by day to view the details of each session.

 **Maps:** View and browse the meeting floor plan. This is a great way to plan our your route before or during the meeting. Use the +/- tool to zoom. Can't find a session room, bathroom or elevator? Peruse the Floor Maps.

 **Local Places:** Browse a categorized list of things to do and places to eat. Select a restaurant, shop, or entertainment option to interactively view Google Maps for directions based on your location!

 **Friends:** Once you've filled out your profile information, you can share contact information and messages with a friend.

 **Photo Gallery:** As the show organizers permit, upload photos you've taken throughout the show and share them with other app users. Take a photo with your phone device, and assign it's "save" location to the app for upload.

Additional Tip:

Contact Core-apps directly by tapping the support@core-apps.com link provided in the "About this App" section for technical assistance.
