RSA CONFERENCE 2014
FEBRUARY 24 – 28 | MOSCONE CENTER | SAN FRANCISCO

Political Satirist Stephen Colbert to Keynote RSA Conference 2014

SANTA CLARA, CA – December 17, 2013 - RSA® Conference (www.rsaconference.com), the world's leading information security conferences and expositions, today announced that political satirist, best-selling author and host of the Emmy® and Peabody Award® winning series "The Colbert Report" Stephen Colbert will provide the Conference's closing keynote presentation on Friday, February 28 at RSA Conference 2014 in San Francisco.

"Security is a mainstream issue," said Alex Bender, General Manager RSA Conferences. "Having a keynote who is one of the most influential people in both politics and the mainstream media will bring a different perspective to an issue that is now at the forefront of everyone's minds. This year's keynote presentation is guaranteed to be an intelligent, lively and boisterous experience for the thousands of conference attendees."

General registration for RSA Conference 2014 is now open, providing Delegates with a $400 discount off the standard registration fee if they sign up before January 24, 2014. Delegates have access to all Keynote, Track and Peer2Peer sessions, Codebreakers Bash, Monday Association Events and Innovation Sandbox. Qualified media can register for a complimentary RSA Conference press pass at: https://ae.rsaconference.com/US14/portal/newreg.ww?code=PRESS

About RSA Conference
RSA Conference helps drive the global information security agenda with annual events in the U.S., Europe, and Asia. Since 1991, RSA Conference consistently attracts the best and brightest in the field, creating opportunities to learn about information security's most important issues through face-to-face and online interactions with peers, luminaries and emerging and established companies. As information security professionals work to stay ahead of ever-changing security threats and trends, they turn to RSA Conference for a 360-degree view of the industry. RSA Conference seeks to arm participants with the knowledge they need to remain at the forefront of the information security business. More information on events, online programming and the most up-to-date news pertaining to the information security industry can be found at www.rsaconference.com.
