BART SFO/OAK Airport Transportation

Go Green from SFO and OAK for RSA 2016

We highly recommend that you take BART when you arrive and depart from either airport. BART direct service from San Francisco International Airport (SFO) and Oakland International Airport (OAK) is the fast, convenient, inexpensive and sustainable way to your downtown San Francisco hotel.

Take BART from SFO to San Francisco

If you're flying into SFO [get the round-trip \(RT\) SFO to San Francisco ticket voucher here for only \\$20.00](#). Then print the voucher, take it with you and exchange it at SFO for your BART ticket. Buy it before you leave and you won't have to wait in line at the station. **The voucher includes instructions and directions to get your BART ticket when you arrive at SFO.** One way SFO to SF tickets can be purchased from ticket machines for \$8.95.

Take BART from OAK to San Francisco

Go to the new BART station across from Terminal 1 and board the train to the Coliseum station. When you arrive there **purchase a 10.20 one way or \$20.40 RT ticket** before you exit the fare gate to the main train platform. Proceed down to the right side of the platform and take any San Francisco bound train to the station closest to your hotel. The total trip to San Francisco takes 40 minutes.
