

RSA® Conference 2016

San Francisco | February 29 – March 4 | Moscone Center

PARTNER PAVILION RULES AND REGULATIONS

RSA® Conference welcomes the participation of partner companies through approved partner pavilions. The energy and diversity that partner pavilions bring to RSA Conference is an added value for our attendees. We ask that the following guidelines be adhered to in order to obtain the appropriate permission and approvals from RSA Conference Management.

- 1) Eligible companies (other than Diamond Sponsors) must contract for a separate corporate booth with a minimum size of 20 x 20 in addition to their partner pavilion space.
- 2) A partner pavilion must be at least a 20 x 20 space.
- 3) The maximum number of partner companies allowed is 2 per 10'x10'.
- 4) **IMPORTANT:** The sponsoring company must submit a list of partner companies for approval by November 1, 2015. Invitations to the pavilion may not be sent out without prior approval of the list by RSA Conference Management.
- 5) Under no circumstances, may a sponsoring company solicit a contracted (or prospective) exhibitor or sponsor of RSA Conference unless the solicited company has the understanding that their participation in the pavilion is **in addition to** their contracted space. Companies will not be allowed to void their contract with RSA Conference to participate in any Partner Pavilion.
- 6) RSA Conference Management reserves the right to limit the number of Partner Pavilions at any RSA Conference.
- 7) Approved partners will be listed as a Partner Pavilion company without a description in the Program Guide.
- 8) Each partner will be provided with 3 exhibitor badges and are required to register their own staff members.

(Industry organizations with partner pavilions may be excluded from the above requirements with RSA Conference Management approval)
