Enterprise Privacy Group Ltd

Session ID: GRC-W07

Session Classification: General Interest

RSAC CONFERENCE
EUROPE 2013

— Harmonising security and privacy

- ▶ You can have security without privacy... or can you?
- ▶ Effective privacy management depends upon a risk-driven approach that surpasses compliance needs
 - ▶ Prepare for legislative changes
 - ▶ Recognise that just because something is legal, it doesn't mean it is a good idea
 - ▶ Consider how privacy drives strategic advantage
- ▶ Outsourcing challenges

— Harmonising security and privacy

- ▶ Skill requirements and interfaces between professions
 - ▶ Identifying intersection and tackling conflict
 - ▶ Finding a common language
 - ▶ Developing a privacy culture
