Step toe Cyberlaw Podcast

- Introduction
- News round-up
- Interview with Jim Lewis
- Audience questions

Introduction

- Partner in Steptoe's Washington office
- Practice covers national security, electronic surveillance, law enforcement, export control encryption, and CFIUS foreign investment reviews
- Previously served as General Counsel with the National Security Agency and with the Department of Homeland Security as its first Assistant Secretary for Policy

- Of counsel in Steptoe's Washington office
- Focuses his practice in the areas where security, technology, and innovation intersect with government policy, process, and regulation
- Handles matters involving legal and policy issues associated with cybersecurity, cyber incident preparedness and response, cyber insurance, and cyber risk management and standard of care
- Former assistant secretary for Strategy, Planning, Analysis & Risk and second-in-charge overall of the DHS Office of Policy

- Senior fellow and program director at the Center for Strategic and International Studies (CSIS)
- Examines sovereignty on the Internet, cybersecurity norms, warfare, and technological innovation in his research
- Focuses on cybersecurity, including the best-selling “Cybersecurity for the 44th Presidency,” which was commended by President Obama
- Previously worked at the Departments of State and Commerce as a Foreign Service officer and as a member of the Senior Executive Service

Michael Vatis

- Partner in Steptoe's New York office
- Focuses on privacy, security, encryption, intelligence, law enforcement, and international regulation of Internet content
- Founding Director of the National Infrastructure Protection Center at the FBI and served as Associate Deputy Attorney General and Deputy Director of the Executive Office for National Security
