Agenda for the mock hearing

We lay our scene

Call to order

Summary of additional facts
and testimony

Legal argument

Decision and commentary by
Judge Facciola

Scenario:

Employee registers on foreign owned Web-based storage account - “Can’t-get-me-cloud”

Employee resigns and is employed by competition

Forensics on company computer indicates ...

- File folders of interest

- Cache of “Can’t-get-me-cloud”

- Mass storage device attached

- Data includes PII and PFI appears to transfer to Cloud
