MY LIFE AS AN
CISO

Ken Keiser
Director, Operational Technology Cybersecurity
Parsons
@kenkeiser
Mission
IT versus OT

CIA  ↔  AIC
Start

High Level Management Charter (Resources)

Inventory and Asset Management

People Management

Incident Response Management

Feedback Management (Governance)
Components of a Resilient Program

ASSESS
Condition | Vulnerability | Threat

DESIGN
Architect | Engineer | Specify

PROTECT
Detect | Defend | Sustain

ANALYZE
Evaluate | Gap Analysis | Recommend

BUILD
People | Process | Technology
7 things to do now

- Sr Level Management
- Start an IT/OT team
- Meet with your OT team
- Develop Resiliency Plan
- Take a production tour
- Pick a standard
- Add resources
