Protect

PANELISTS:

Dmitri Alperovitch

Co-Founder & CTO
CrowdStrike
@DAIperovitch

Rick Holland

Vice President, Strategy
Digital Shadows

Rafal Los

Director, Solutions R & D
Optiv
@Wh1t3Rabbit

#RSAC

- Is endpoint the future of security? Again?
- Modern endpoint security beyond EPP and anti-virus?
- How far can we push the existing tools?
- Protect, Detect, Respond, Recover — you still get to pick 2?
- How many more agents can we tolerate?
- Can your organization handle advanced detections and hunting?
